UIUC Special Collections Research Center: Redevelopment Plan, Programming, and Conceptual Design

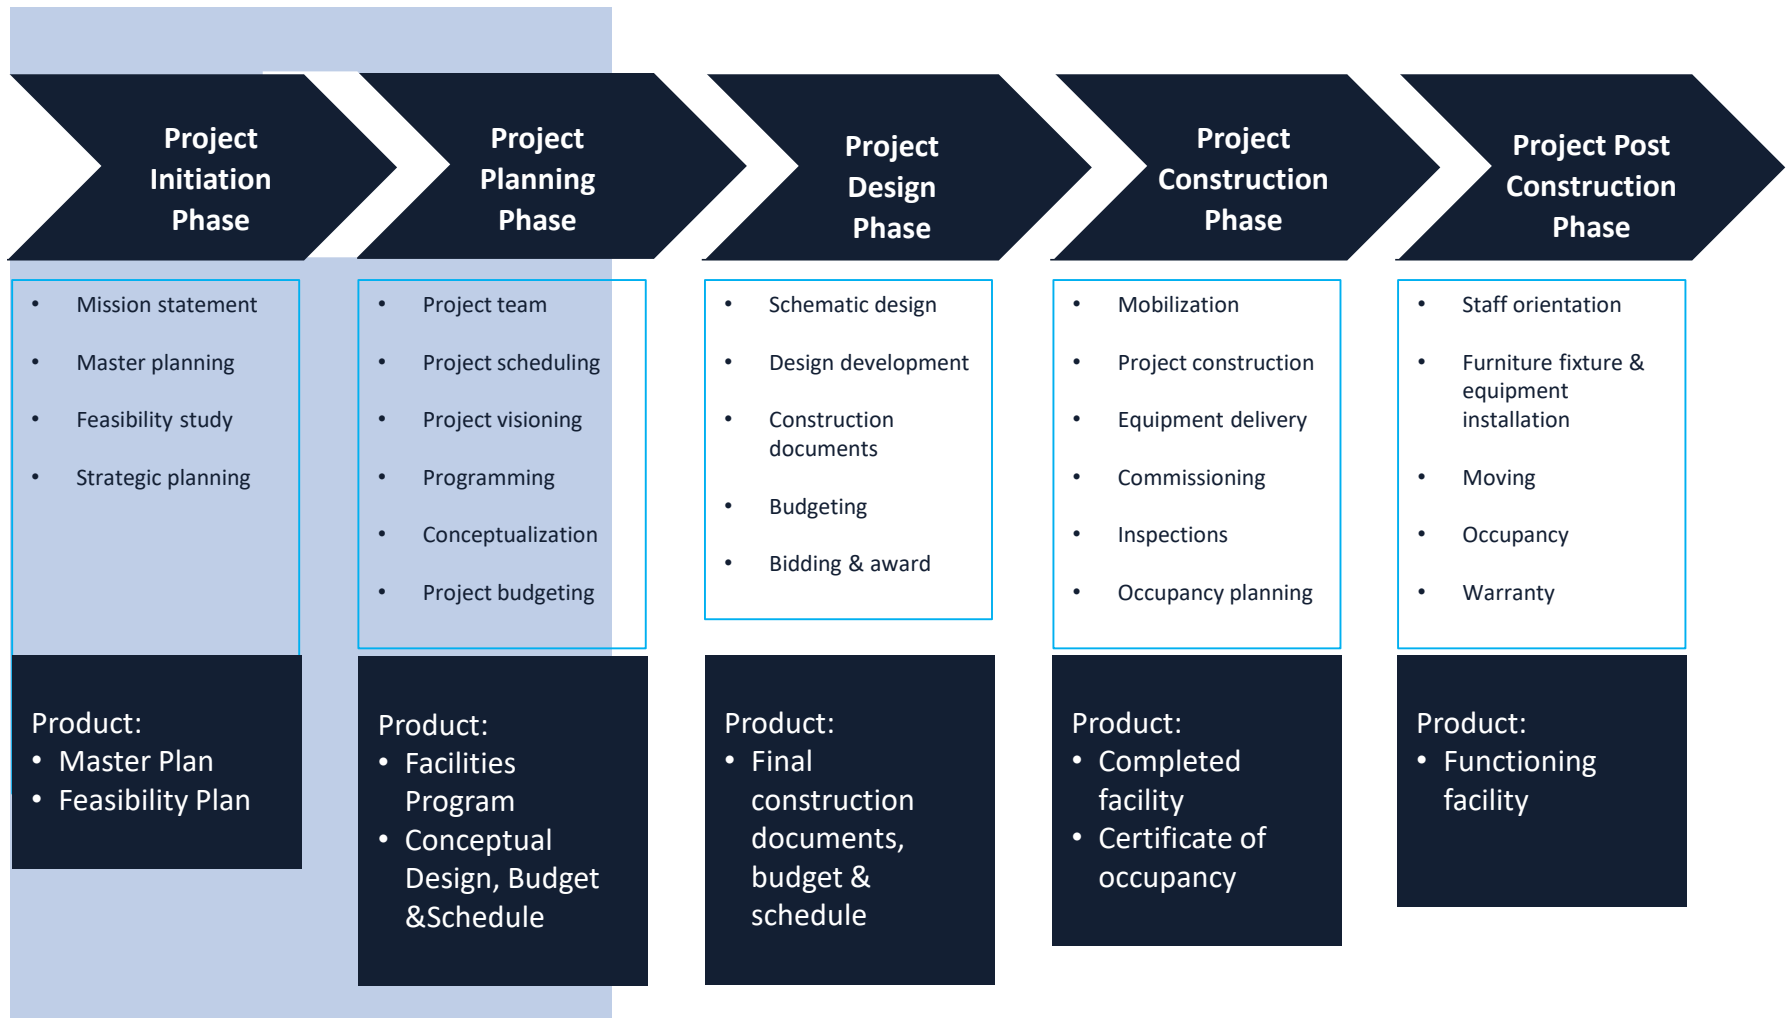

6 December 2019

Agenda

- Capital Delivery Process
- Project Recap
- Final Scenario Drawings

Capital Delivery Process

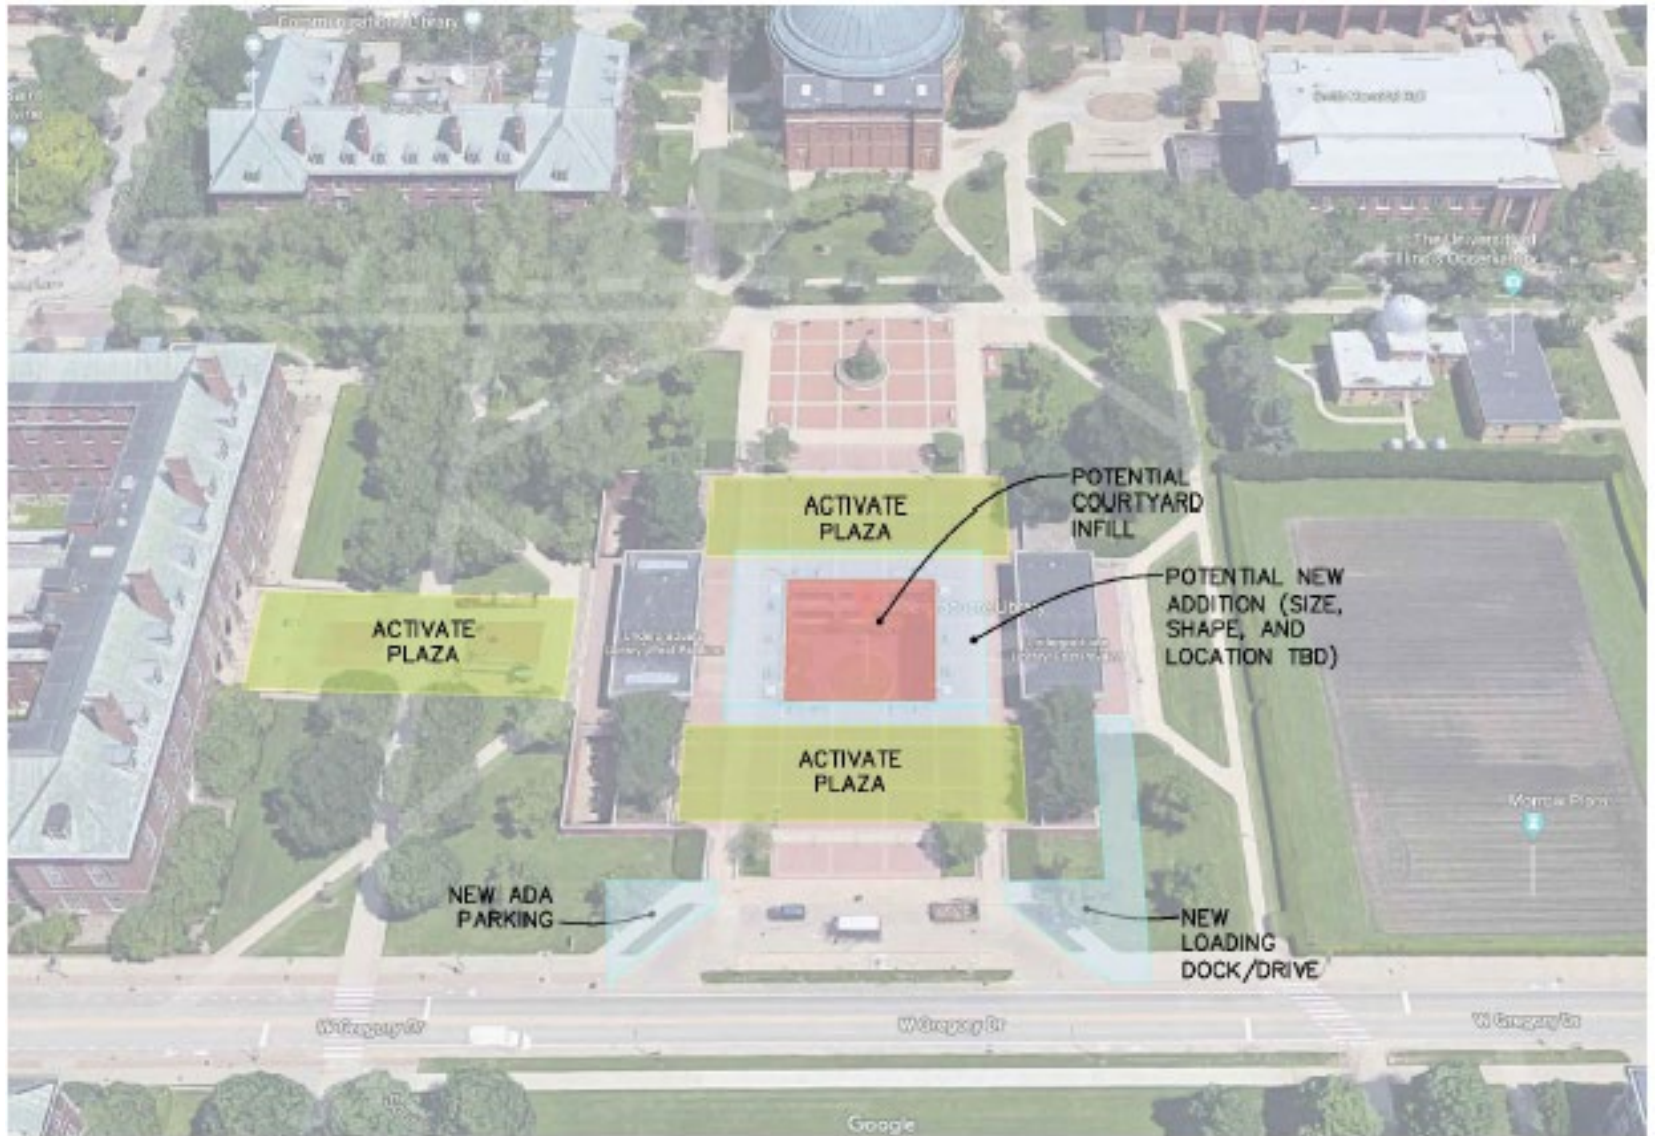

Current Status

- Special Collections Research Center (SCRC) Project
 - Process Diverged from Main Library Building
 - Request by Special Collections Division for Outside Consultant to Review Idea
 - Completed Over Late-Spring 2019. Consultant endorsed the overall vision and feasibility
 - Started the Process with JLK/brightspot/IMEG
- Received Final Scenario
 - Results Differ from Main Library in One Key Way: One Scenario, With Phases

Project Recap: Last Documents

- Challenges:
 - Location
 - Below Grade
 - Natural Light
 - Absence of Loading Dock
 - No ADA Compliant Parking
- Opportunities:
 - Location
 - Simple Existing Layout
 - Existing Vertical Circulation

Project Recap: Last Documents

Potential Removals or Additions:

- Removal of Interior Partition Walls
- Removal of Decorative Stairs at East Pavilion
- Infill of Central Courtyard
- New Plaza-Level Addition
- New Loading Dock

Programmatic Implications:

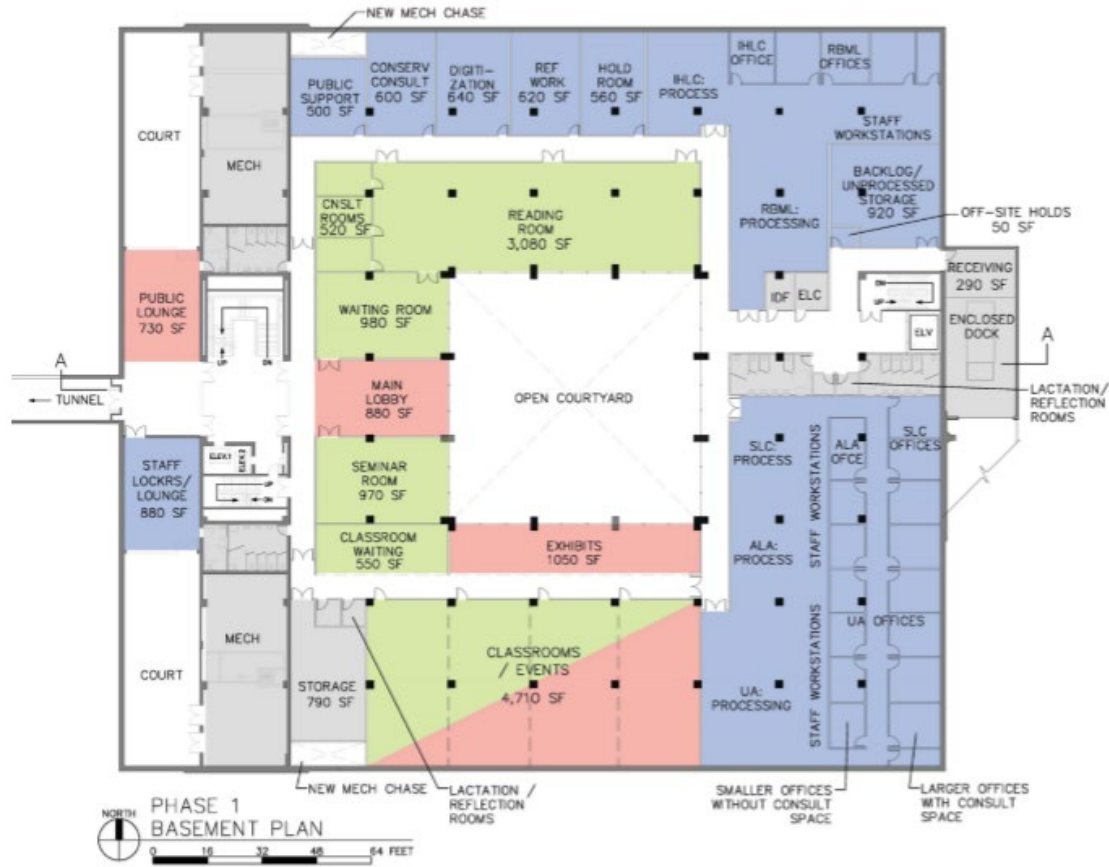

- Separate Reading Room, Event Space, Consultation Spaces, and Instructional Rooms
- Unique Unit Identities
- Flexible Instruction and Public Spaces.
- A Campus Landmark
- Relationship with Remote Storage
- Accommodate Growth
